Building or planning a Bitcoin startup?

CONGRATULATIONS. YOU CHOSE...

THE HARDEST

BOSS BATTLE.

Difficulty Level:

500%

Came for the bull. Went back during the bear.

The other 1.4 billion Indians? They've never thought about Bitcoin. Not once.

Want to run Bitcoin ads?

REJECTED.

G

Google Ads

Crypto advertising requires certification & ongoing compliance

M

Meta / Instagram

Crypto ads require prior written permission. Often denied.

𝕏

Twitter / X

Allowed but requires financial services certification per market

Go organic? 📱

Shadow Banning

GetBit

BUT THIS MODEL HAS PROBLEMS

Building your own community breaks at scale.

🧠 Org time & energy

🗺️ Physical presence across cities

⚙️ Operations & hiring

✈️ Travel & accommodation budget

📊 End-to-end attribution

Bitcoincierge

IRL Event and Community Management.
For Bitcoin brands. In India.

Demos. Workshops. Meetups.

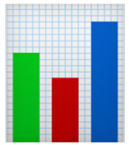
Our Solution

IRL event & community management as a service — for Bitcoin brands.

Venue & Logistics

Curated Audience

Expert Mentors



Attribution Reports

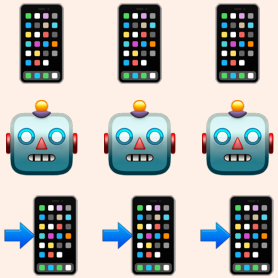
Bitcoin mentors and community are seeded in major cities

7 Cities Active

Mentors present, community active, ready to run activations

Expanding to more cities

ONLINE



— *AI-generated content flood*

— *Crypto ad restrictions*

— *Doomscrolling & fatigue*

— *Low ROAS, high burnout*

OFFLINE

The pendulum is swinging back offline.

People want to meet in person. They want to hold the hardware. They want to feel the experience — not scroll past another post about it.

The Market And Traction

India is open to Bitcoin products. We are just getting started.

1B+

Indians reachable through IRL activations

8 / 97

Tier-1 cities and Tier-2 cities in India

200+

Bitcoin products & services usable in India

2,000+

Existing community members

6 / 1

Existing brand partnerships

Go-to-Market

Warm intro → Proof of work → Expand.

01	02	03	04	05
Warm intro or cold outreach	Partner for First Pilot	Pilot event	First activation	Retainer & revenue share

Business Model

We charge brands. Not participants.

FIXED

Event Execution Fee

₹15,000 – ₹20,000

per event

- Venue booking & management
- Mentor / speaker time
- Snacks, logistics, ops
- Post-event summary report

VARIABLE

Performance / Revenue Share

0.5% – 2%

on attributed sales or activations

- KYC completions / deposits
- Hardware wallet sales
- Loan / custody product sign-ups
- Referrals through mentor network

Getbit

Bitcoin-only exchange from India. 200+ attendees across meetups powered by Bitcoincierge.

Zebpay

India's leading crypto exchange. Hosted meetups across Mumbai and Delhi, reaching hundreds of attendees.

Jetking

Reached thousands through in-person meetups and online streams, spreading their Bitcoin treasury story to potential investors.

Ourpool

3 meetups across Bangalore, Mumbai, and Delhi. Partners and ecosystem providers onboarded to their Bitcoin Mining Academy in Goa, culminating in a paid 30+ attendee cohort.

Bitasha

Piloted first meetup, sold 5+ BitAxe through Delhi meetup and warmed attendees to visit them at Bitplebs.

Cryobrick

First user activation through meetups in Goa. Onboarded senior Bitcoiners as beta testers for v1 of the app.
